is that Kamalamma has made very good progress with her studies She passed the matriculation exam in 1911 and is reported to be making marked progress in the Junior Intermediate class I am not certain of this circumstance by itself is sufficient for granting a scholarship of Rs 30/- pm in addition to the ordinary scholarship of Rs 25/- pm which Kamalamma is already drawing. The fact that she is well-connected & that both her father & father in-law are men of position & means do not very much strengthen her case for special pecuniary help

If however Kamalamma is to be given special pecuniary assistance there is one way of doing so without additional cost to Govt I find that the teaching staff of Maharanis College consists of about 44 hands some females but the majority males There are numerous Assistant Masters on pay ranging from Rs 15 to Rs 30/- a month If one of these can be transferred to a vacancy elsewhere (such vacancies must be common enough) Kamalamma can be appointed to the post with advantage The strength of the Maharanis College staff shews that the teachers cannot be heavily worked and the Lady Principal can perhaps so arrange that Kamalamma can do light teaching work without prejudice to her own studies in the College.

To

The Inspector General of Education in Mysore,

Through

The Lady Superintendent,
Maharani's College,
Mysore

The humble petition of Kamalamma, widow of the late
r H Dasappa of the Mysore Civil Service

Respected Sir

I beg to be allowed to invite your kind reference to my petition to you dated 23th December 1907, applying for an enhanced scholarship to prosecute my studies in the Maharani's College, and your docket No 7123/'01 dated 23th February 1908 to my father Mr C D Ramaswamiah, Retired Assistant Commissioner, Tumkur, communicating the Orders of Government on the said application, and to approach you again with the prayer that you may be pleased to take my hard case into your consideration and sanction some additional help to enable me to continue my studies

I have now been a student of the Maharani's College for four years and, having passed the Matriculation Examination held in March 1911, am now reading in the Junior Intermediate class My expenses on account of purchase of books, etc , and other circumstances incidental to a course of study in the College Classes and the cost of living in Mysore have increased considerably, and the amount of scholarship which I am now getting, viz , Rs 25/- is quite insufficient to maintain myself and my children I have been compelled to in-

debt

indent to a large extent on my old father, who is sacrificing much of his own comforts in his old age in order to help me out of the amount he get as pension The hard circumstances of my case ave been fully set forth in my Memorial of the 6th June 1907 to His Highness the Maharaja of Mysore, and in my petition to the Inspector General of Education dated 28th December 1907 It is therefore not necessary for me now to repeat the same again here

I beg that in the circumstances narrated in detail in the petitions referred to above, you may be pleased to take my pitiable case into your kind consideration and sanction to me a special scholarship of Rs 30/- per mensem, as prayed for in my petition of the 28t December 1907, from July 1911, when I joined the Intermediate Arts class, or at least from January 1912, in addition to the usual scholarship which has been kindly granted to me in accordance with the scholarship Rules of the College The sorrowful circumstances under which I was de rived of the protection of a husband whose bright prospects in the Service of H H the Maharaja were suddenly cut short at the commencement of his career, and by which the conditions of my life were suddenly changed and I was compelled to take such steps as would enable me to earn my own livelihood, and finally my misfortune in losing the whole of the little sum I had gathered and invested in Arbuthnott and Co , may, I humbly pray, be taken into consideration as justifying special treatment of my case at the benign hands of the Government of H H the Maharaja

In conclusion, I beg to assure you, Respected Sir, that I will spare no pains to deserve the kind help that may be accorded to me and to qualify myself in due course for serving the Government, and thereby also earning my own livelihood and maintaining my poor children As regards my conduct and progress in College, I can only leave it to the kind
